RE: Site Inspection, Peak Minerals Inc., AUMCO Claim #1/Trace Mine, S/039/001,
Sanpete County, Utah

Date of Inspection: September 10, 1996
Time of Inspection: 6:00 p.m.
Conditions: Windy, cool, cloudy
Participants: Lynn Kunzler, DOGM

Purpose of Inspection: To evaluate the site conditions while in the area

A loader and cat were observed at this site, although it appears that it has been several weeks since they were used. The disturbed area is about 2 acres in size. The area appears to be stable. Several photos were taken to document site conditions.
